

CORPORATE DEATH BENEFIT PLAN

Your corporation can provide a death benefit, not to exceed \$5,000, to compensate an employee's beneficiary when an employee dies. The employee could be you or your spouse. It's drafted to comply with the Internal Revenue Code so that the payment by the Corporation will be a deduction for tax purposes and the receipt by the beneficiary will be considered a tax free gift.

Let us prepare a death benefit plan for your corporation. Call a Spiegel & Utrera office near you.
