Service Agreement

If your Corporation is a service business, you'll need a Service Agreement.

The bedrock foundation of many service businesses is a customized written agreement entered into with its customers. Many franchises sold for tens of thousands of dollars are business formats revolving around a Service Agreement. The key with a Service Agreement is to make it work as a marketing tool offering the business services in the widest variety of formats to your customers. For example, a one-time use customer needs to be converted to a monthly, quarterly or annual type repeat customer. At Spiegel & Utrera we want to help you get, and keep, your customers while looking professional and at the same time maximizing each sale with a friendly service agreement. A Service Agreement starts at \$367.95 up to \$897.95 depending upon its complexity if ordered at the time of forming your corporation. We will prepare a draft of your Service Agreement and deliver the draft by fax or email to you for your review. Once you have had an opportunity to review the Service Agreement we will meet over the telephone to discuss the various aspects of the draft Service Agreement. Thereafter, Spiegel & Utrera will make changes to the Service Agreement to finalize it. Once the Service agreement has been finalized and delivered to you, you should take it to your printer to be printed and padded so it will always look professional and non-negotiable.

TAX RELATED

501(c)(3) Corporate Records Compliance

If your non-profit corporation is organized and operated exclusively for charitable, religious, educational, or scientific purposes; after you apply to the Internal Revenue Service, it may qualify for exemption under

Internal Revenue Code Section 501(c)(3). This determination from the Internal Revenue Service will allow your non-profit corporation to apply for grants and accept tax deductible donations while permitting the donor to deduct their contributions to your corporation from their personal Federal Income Tax Returns. To obtain a favorable Federal Income Tax exemption determination from the Internal Revenue Service, your corporation must go through a lengthy and often cumbersome Internal Revenue Service approval process, during which time you will have to provide the Internal Revenue Service with copies of your Corporate Records and information regarding your Corporation's activities. *Your Articles of Incorporation, Corporate By-laws and other corporate documents must include the proper information to comply with Internal Revenue Service Regulations.* The fee to prepare a Delaware Non Profit Corporation with the required Internal Revenue Service 501(c)(3) provisions for compliance is an additional \$100.

501(c)(3) Application for Exemption with Internal Revenue Service

Once your corporation is registered with the State of Delaware, the next step in obtaining 501(c)(3) qualification is to file the IRS' Application for Recognition of Exemption under Section 501(c)(3) of the Internal Revenue Code. Section 501(c)(3) status would provide your non profit corporation with the following benefits: public recognition of tax exempt status, which is particularly beneficial for obtaining grants; advance assurance to potential donors of the deductibility of contributions; exemption from certain Federal excise taxes; and even non profit mailing privileges. The application process to obtain this tax-exempt status can be a very complex and tedious one. Therefore, we strongly recommend you seek the assistance of a tax professional in order to avoid any likely problems or undue delays in obtaining this status. We, at Spiegel & Utrera, P.A., are prepared to assist you in this application process in order to ensure you that all of the necessary documents are completed and submitted in compliance with IRS' requirements. The fee to apply for formal recognition with the Internal Revenue Service is \$1,500 plus the IRS filing fees.

Non-Voting Members

Depending on the level of participation of the organizers of the non-profit corporation, you may wish to have non-profit corporation members that participate but refrain from voting. We'll draft a special provision for your Articles of Incorporation. This item costs only an additional \$74.95 if ordered at the time of Incorporation.

Federal Tax ID Number

The equivalent of a social security number for a Corporation. You will need it to operate your business and open a bank account for the Corporation. We can obtain this number for you and the advantage of allowing us to get it for your Corporation, is that we will deliver it with your Corporation for only \$35 so you may open your bank account immediately. If you are a Foreign National without a United States Taxpayer Identification Number or a United States Social Security Number, the charge for the Federal Tax ID Number is \$125.

D & B Number - *Start Building Your Business Credit Immediately*

According to Dun & Bradstreet, the D & B number is widely used by both commercial and federal entities and was adopted as the standard business identifier for federal electronic commerce as early as October 1994. The D & B number was also incorporated in the Federal Acquisition Regulation (FAR) in April 1998 as the United States Federal Government's contractor identification code for all procurement-related activities. The D & B number is also known as the D-U-N-S® number and remains with the corporation location to which it has been assigned even if it closes or goes out of business. With that in mind, it is important to have a physical location for your business when obtaining the D & B number. D & B also states that the D-U-N-S® number also "unlocks" a wealth of valued-added data associated with

that entity, including the business name, physical and mailing addresses, trade styles (fictitious name, assumed name, alternate name or DBA), principal names, financial, payment experiences, industry classifications (SICs [Standard Industry Classification] and NAICS [North American Industry Classification System]), socio-economic status, government data and more. The D-U-N-S® number also links members of corporate family trees worldwide. If ordered at the time of forming your corporation, Spiegel & Utrera, P.A. will obtain your D & B number, also known as your D-U-N-S® number, for \$50. If ordered later, the charge to obtain the D & B number, also known as your D-U-N-S® number, is \$75.

Individual Taxpayer Identification Number (ITIN)

An Individual Taxpayer Identification Number is a tax processing number only available for certain nonresident and resident aliens, their spouses and dependants who cannot get a Social Security Number. It is a 9-digit number, beginning with the number “9”, formatted like a Social Security Number (NNN-NN-NNNN). Spiegel & Utrera, P.A. will prepare all the documentation necessary for you in order to obtain your Individual Taxpayer Identification Number. The charge for this service is \$125.

Delaware Business Registration

Whenever a Corporation is filed in the State of Delaware, the Corporation is required to file a Delaware Business Registration to obtain a Delaware Business License. We can initiate the documentation to register your business for you and deliver it with the Corporation. The cost at the time of incorporating is \$100.

Delaware Department of Labor Registration

This is used to withhold Delaware Unemployment Taxes from your Corporation's payroll. Generally, any employer who (a) pays wages of \$1,500 or more during any calendar quarter or (b) employ at least one person 20 days during such calendar year, must register and pay unemployment taxes on those wages. If you have any employees on the payroll, including yourself, you will need to register. We can initiate the paperwork for this registration for you and deliver it with the Corporation. The cost at the time of incorporating is only \$35.

Delaware New Hire Reporting

Federal law requires all Delaware employers to report basic information about employees, who are newly hired, rehired, or who return to work after a separation from employment. You must submit a report for each newly hired employee. Failure to report new hires within 20 days of their hire date may result in civil penalties. We can provide you with a package of 6 New Hire Registration Forms for \$35. The forms are customized with your Corporation's information, and you may re-use them for each person you employ.

Indemnification Agreement and Covenant Not to Sue

We strongly recommend that you include special provisions in your Articles of Incorporation, which would provide vital protection requiring the Non-Profit Corporation to indemnify and hold harmless it's Directors and Officers from any actions they take on behalf of the organization. If a Director or Officer is ever sued for such actions, these provisions would require that the Non-Profit Corporation be held responsible and not that particular Director or Officer individually. This protection is especially important considering that without it a newly elected Director or Officer could be held liable for the decisions and actions carried out by the predecessors who once held the very same position. These important provisions and agreements cost only an additional \$75 if ordered at the time of Incorporation.

Lenders Agreement & Promissory Note for Non Profit Corporation

Initially a non profit corporation needs a cash infusion. Additionally, the non profit corporation may require a continuing advance of funds for some time. How to get the money? A non profit corporation generally has two choices for obtaining additional money; (1) members of the non profit organization or others make cash donations or contributions to the non profit corporation or (2) members or others lend money to the non profit corporation. Lending money to the non profit corporation is the preferred method to advance money to the non profit corporation because the lender is seen as a creditor of the non profit corporation. The lending of money to the non profit corporation is accomplished with a Lenders Agreement and a Promissory Note. Both of these instruments together provide an initial amount of a loan to the non profit corporation and also provide for future advances of money the lender may make to the non profit corporation. In the event of failure of the non profit corporation, the loan will be fully tax deductible by the lender as a bad debt. The fee for a Lenders Agreement & Promissory Note for your non profit corporation, if ordered at the time of incorporating, is \$75.

Security Agreement for Non Profit Corporation

Once you have decided to use the Spiegel & Utrera, P.A. Lenders Agreement and Promissory Note, the next step is to collateralize the personal property assets of the company in favor of you, the lender with a Security Agreement. A Security Agreement is a contract between a lender and borrower. The Security Agreement gives the lender a security interest and the right to repossess personal property that a borrower has offered as collateral if a note is not paid per its agreed terms. This right is superior to all subsequent creditors provided the lien given by the Security Agreement is perfected. The Security Agreement available from Spiegel & Utrera, P.A. is complete and includes provisions relating to type of collateral being secured, address where collateral will be kept, executing further documents, events that shall constitute a default, assignment of secured collateral by holder, a listing of events that would constitute default by the borrower and the rights of the lender should the borrower default. Provided you have ordered the Spiegel & Utrera, P.A. Lenders Agreement and Promissory Note, the fee for the Security Agreement, if ordered at the time of incorporation, is an additional \$75.

Perfecting the Lien Created by the Security Agreement - Uniform Commercial Code

Liens against personal property are perfected differently than liens on real property. The use of the phrase "personal property" does not mean property owned personally by the owner of a business. Instead, the term refers to all property used inside or outside of a business (with the exception of real property) including equipment, furniture, inventory, etc. To perfect a lien against personal property used in a business, strict adherence must be followed pursuant to the Uniform Commercial Code, documentation must be created, executed and filed with the appropriate government agencies. Once recorded, the Uniform Commercial Code makes a lien valid and serves as notice that the lien exists. Usually, the first recorded lien takes priority. Provided you have ordered the Spiegel & Utrera, P.A. Lenders Agreement and Promissory Note and the Spiegel & Utrera, P.A. Security Agreement, the documentation required to perfect the lien under the Uniform Commercial Code is \$75, if ordered at the time of incorporation.

TAX SAVING LEASE AGREEMENTS

Home Office Lease

Agreement detailing the leasing of office space by a homeowner or tenant with a corporation for use as the Corporation's principal place of business. The typical tax savings under this agreement can exceed \$1,200. – per year. The Home Office Lease is only \$150. when ordered with your Corporation, and as an added bonus to our clients, we draft the Lease in such a manner that it is automatically renewable. We do not recommend a home office lease for a single owner corporation or single owner limited liability company or a where husband and wife file a joint tax return and are the only owners of the corporation or limited liability company.

Motor Vehicle Lease

If you use your vehicle for business purposes, it is usually much more advantageous to keep the vehicle in your name and lease the vehicle to the Corporation. The typical tax savings under this type of arrangement ranges between \$1,500. and \$3,000. per tax year. We can prepare the lease for only \$150. when ordered with your Corporation. We do not recommend a motor vehicle lease for a single owner corporation or single owner limited liability company or where a where husband and wife file a joint tax return and are the only owners of the corporation or limited liability company.

Office Equipment Lease

A lease which details the leasing of office equipment by a business. Once again, by leasing equipment to the Corporation, you create a legitimate business expense for the Corporation and a Tax Deduction. Typically, the tax savings under this type of arrangement can exceed \$1,000 per tax year. The cost for an Office Equipment Lease is only \$150. when ordered with your Corporation. We do not recommend an office equipment lease for a single owner corporation or single owner limited liability company or a where husband and wife file a joint tax return and are the only owners of the corporation or limited liability company.

EMPLOYEES / INDEPENDENT CONTRACTORS

Employee Benefits and Policies

If you are using employees in your business, it is important to have written Benefits and Policies. Let us prepare your Employee Benefits and Policies. Unlike the Employment Agreement, the Employee Benefits and Policies creates an understanding of the entitlements of the employee relative to the policies of the business and provides protection for the business. The Employee Benefits and Policies will be customized for your business and are designed to cover:

- Vacation
- Absences, including vacation, sick time, time off for injury, death in family, jury duty, excused absence, military leave and emergency situations
- Holidays
- Equal Employment Opportunity
- Drug and Alcohol Abuse Policy

- Payday and Pay Period
- Overtime
- Internet and Email Policy
- Sexual Harassment
- 90-Day Training/Probation Period
- Forfeiture of Commission, Incentive Compensation and Bonuses relating to failure to complete the initial employment period
- Business Hours
- Moonlighting Restrictions
- Honesty
- Pornography at Work
- Medical Insurance
- COBRA
- Timecards
- Departure from Employment with Notice or Without Notice
- Dress at Work
- Business Cards
- Parking
- Keys
- Alterations or Modifications
- Other benefits and/or policies which may be of special interest to your business

By having the customized Employee Benefits and Policies, the business has clearly communicated to its employees the Employee Benefits and Policies in effect at the business and how the Employee Benefits and Policies are to be followed so that there are no surprises. For example, relating to an employee who leaves the business without giving adequate notice who then would only be entitled to be paid at the minimum wage for any time due and owing and forfeiting any vacation days, sick days, commissions, incentive compensation and/or bonuses.

The Employee Benefits and Policies may be re-used by the business as it hires additional employees. The cost of the Employee Benefits and Policies is just \$167.95 if ordered now with the formation of your company.

Employment Agreement

If you are using employees in your business, it is important to have a written Employment Agreement to document the conditions of Employment. An Employment Agreement can be very advantageous for a business and should be required for all employees, whether new or existing. It creates a clear understanding of the arrangement between the employee and the Corporation and provides protection for the business. The Employment Agreement also contains other important provisions:

- It spells out the terms of employment, such as the duties, responsibilities and compensation of the employee.
- It states that the employee will not compete against the Corporation for a specific period of time after leaving its employment.
- It prohibits the employee from disclosing any of the Corporation's business records, computer data, trade secrets, methods of operation, et cetera.
- It prevents the employee from soliciting customers or clients of the Corporation.
- It prevents an employee, after leaving the Corporation's employment, from soliciting the Corporation's employees to work elsewhere.

The Employment Agreement is prepared in such a way that you can use it over and over again to avoid additional costs in the future. By having this Employment Agreement, the Corporation is given substantial clout in preventing an employee from joining a competitor, or competing against the Corporation and disclosing business secrets to anyone. The Agreement may be re-used by the Corporation as it hires additional employees, the cost of the Employment Agreement is just \$150.

Independent Contractor Agreement

There are many reasons for using Independent Contractors, however, simply verbally stating that a worker is an Independent Contractor is not enough according to the IRS. Certain criteria must be met. The IRS considers 11 factors in three specified areas: *Behavioral Control*, *Financial Control* and *Type of Relationship*. So, before you engage the services of an Independent Contractor, it is essential that you document that relationship with a written Independent Contractor's Agreement, otherwise the IRS could hold your Company and you personally liable for the Independent Contractor's Income Tax, Social Security, Medicare Tax and Federal Unemployment Tax, which should have been withheld. As a signatory on the check used to pay the Independent Contractor, you could be held personally liable for these taxes. The Independent Contractor's Agreement also contains other important provisions:

- It spells out the duties, responsibilities and compensation of the Contractor.
- It states that the Contractor will not compete against the Company for a specific period of time after the project is completed.
- It prohibits the Contractor from disclosing any of the Company's business records, computer data, trade secrets, methods of operation, et cetera.
- It prevents the Contractor from soliciting customers or clients of the Company.

- It prevents the Contractor, after leaving the Company, from stealing the Company's employees.

For a detailed explanation of the Benefits of using Independent Contractors' Agreements, including a breakdown of the 11 factors the IRS analyzes and Industry examples provided by the IRS, please refer to document 239 of this [Free Faxback Service](#). We can provide an Independent Contractor's Agreement that covers all the legal requirements and many business advantages for your Company for only \$150.
