

APOSTILLES AND CERTIFICATES OF NOTARIAL AUTHORITY

Foreign countries or governments often require that notarized documents destined for use in those countries be accompanied by an Apostille.

Apostilles are issued in connection with documents destined for use in countries that are signatories to the Hague Convention, an international agreement pertaining to the legalization of documents for foreign use.

Many countries that are not parties to the Hague Convention will accept a Certificate of Notarial Authority for document legalization purposes. Because of the large volume of trade between the USA and other countries, and because of the large number of foreign visitors entering and leaving the USA each year, Apostilles and Notary Certificate services have become increasingly important.

Spiegel & Utrera can obtain any Apostilles and Certificates of Notarial Authority you may require.
