

NEED CAPITAL TO GROW YOUR BUSINESS?

The inability to access capital can be a tremendous inhibitor to growth for any entrepreneur. Financing your business is a never-ending process, but for those who master it, the rewards are huge!

Today's economic environment presents unlimited possibilities for business expansion. Opportunities exist for entrepreneurs with a sound business concept and the never-ending personal focus to make it happen.

Florida is becoming a hot-bed of entrepreneurial spirit and activity. Many young companies are being rewarded by the increased attention Florida is now receiving from capital providers within, as well as outside, Florida. In recent years, the growth of this type of investment in Florida entrepreneurs outpaced the entire nation!

Entrepreneurs operating successful businesses must seek out the most appropriate form of capital to help grow their business. Funds may be obtained through numerous sources.

Selling corporate stock to the public has become increasingly common as investment in the small business sector explodes! There are numerous advantages of a public company including the following:

1. Increased credibility
2. Increased ability to raise capital
3. Ability to make acquisitions with stock
4. Increased valuation of business
5. Ability to create liquidity with stock
6. Increased ability for rapid expansion
7. Increased ability to obtain financing

Several methods are available to take a company public, from full registration with the SEC to merging with an existing public shell.

You may be in a position to capitalize on the favorable current trends, as hundreds of other Florida entrepreneurs have.

Contact a Financing Specialist at Spiegel & Utrera today to explore the opportunities for the financial growth of your business.
